

Berlin International Film Festival Entry Advisor

Since its establishment in 1951, the Berlin International Film Festival, which takes place in February, has become one of the leading international film festivals alongside Cannes and Venice.

Maryanne Redpath, a representative of the Festival, will be visiting New Zealand in September and will be viewing films that may be eligible for screening there.

If you would like Maryanne to view your film, first please ensure that it is eligible for one or all of the sections of the Berlin International Film Festival by looking at the criteria on their website www.berlinale.de

Once you have established this, email Juliette Veber (juliette@nzfilm.co.nz) with the name of your project, it's duration, the sections of the Berlinale for which the project is eligible, and the names of project team members. Viewing materials should be delivered to Juliette Veber at the NZFC.

Applications and viewing materials – including a DVD copy of the project – must be received by Monday 31 August 2009. Please note that, depending on the number of submissions, it may not be possible for all the films to be viewed during Maryanne's visit.
